GRACE Scholars allows donors to designate the scholarship funds to economically disadvantaged students only or to specific schools. If the donor prefers, the GRACE Scholars board will distribute scholarships to schools with the greatest need. If the scholarship needs are filled at the specified school, funds will be directed to another school with unmet need in order to comply with state law regarding the annual distribution of funds.

Please note, it is not possible to designate scholarships to specific individuals or families.

You may choose up to three designations by listing the amount for each entity up to the total amount of the check:
